And whereas the whole amount of the rateable land or real property of the said Corporation, appearing by the last revised assessment roll, being for the year 1890, is \$9,358,194, irrespective of any future increase of the rateable land or real property of the Municipality, and of any income in nature of tolls, interest, or dividends from the work, or from any stock, shares or interest in the work upon which the money so to be raised, or any part thereof, is intended to be invested, and also irrespective of any income from the temporary investment of the sinking fund, or any part thereof;

And whereas for paying the interest and creating an equal yearly sinking fund for paying the principal of the said debt intended to be hereby created, according to the "Municipal Act, 1891," an equal special rate of 21/1000 of one per cent. on the dollar will be required;

10. The said debentures shall bear interest at and after the rate of five per centum per annum from the date thereof, which interest shall be payable half-yearly at the office of the said Treasurer.
